**Volunteers Wanted**  
Volunteer to serve on an advisory board and make a difference in your community.  
Seminole County  
Seminole County is seeking qualified individuals to serve on the Seminole County Board of Directors. The Board is the governing body of the county and is responsible for the overall management and operation of the county. The Board consists of seven members, one of whom is the County Commissioner. The Board meets on a regular basis and makes decisions on behalf of the county. If you are interested in serving on the Board, please contact the County Administrator at 620-626-8988.

**WEEDS!**  
Weeds, weeds and more  
Weeds are a major problem for many homeowners and businesses. We offer professional weed control services to keep your lawn and garden looking great. Our services include pre-emergent and post-emergent treatments, as well as spot treatments for individual weeds. We use safe, effective products that are safe for your family and pets. Contact us today for a free estimate.

**Child Support Services on schedule for privatization**  
Regional locations open in September  
Child Support Services is pleased to announce that regional offices will be privatized and opened in September. This will allow us to provide better service to our customers. We are currently accepting applications for qualified individuals to work in these positions. If you are interested, please contact us at 620-626-8988.

**PANHANDLE COLLISION SENDS AT LEAST ONE TO HOSPITAL**  
A multi-car pileup on Interstate 75 in the Panhandle region of Florida resulted in at least one person being hospitalized. The accident occurred on Saturday morning, August 17, 2013, near the intersection of I-75 and State Road 100. The cause of the accident is still under investigation. The Florida Department of Transportation (FDOT) is currently working to clear the road and assist those involved in the accident.

**Huelskamp meets with Kansas hospital administrators**  
Huelskamp, Kansas Secretary of Health, met with a group of hospital administrators from various hospitals in Kansas. The meeting was held in Topeka, Kansas, and focused on improving healthcare services and reducing costs. Huelskamp expressed his commitment to supporting the healthcare industry and ensuring that Kansas residents have access to high-quality care.
