### Scenic study shows tourism in Sevier County has \$67.6 million impact

By Tommie Smith  
Sevier County has a tourism industry worth \$67.6 million annually, according to a study released by the Sevier County Economic Development Authority. The study, which was conducted by the University of Tennessee, shows that tourism is a major contributor to the county's economy. The study also found that tourism is a major source of jobs in the county. The study was released on August 15, 2013.

### PANHANDLE COLLISION SENDS AT LEAST ONE TO HOSPITAL

Emergency crews were called to a two-car collision on Interstate 75 in the Panhandle region of West Virginia on August 15, 2013. The collision occurred on the northbound side of the highway near the town of Hurricane. One person was injured and is currently in the hospital. The cause of the collision is still under investigation.

### Huelskamp meets with Kansas hospital administrators

Gov. Sam Brownback met with a group of hospital administrators from Kansas on August 15, 2013. The meeting was held at the Governor's Executive Office in Topeka. The administrators discussed the challenges facing the state's healthcare system and the need for reform. The Governor expressed his commitment to addressing these challenges and improving the quality of care for all Kansans.
