**Fighting for RURAL AMERICA**  
Sen. Menon joins with Washington Congressman who have working about rural problems, animal  
By Steve Klotz  
Congressman Sen. Menon (R-Ind.) and Washington Congressman Lou Lomax (D-Texas) are working together to address rural problems. Lomax is the author of the Rural Development Act of 2013, which is currently in the House. Menon is the author of the Rural Development Act of 2013, which is currently in the Senate. They are both working to address rural problems, including animal welfare.

Pete Linder scores 470th  
By Steve Klotz  
Pete Linder, a professional golfer, has scored 470th in a recent tournament. This is a significant achievement for him, as it is a low score in a field of many players. Linder is known for his consistent play and has been a member of the PGA Tour for many years.

**Be prepared with concealed carry**  
By Steve Klotz  
In an era of increasing gun violence, it is important for citizens to be prepared. One way to do this is by obtaining a concealed carry permit. This allows individuals to carry a handgun on their person for self-defense. It is important to understand the laws and regulations surrounding concealed carry in your state.

**City to set 2014 budget tonight**  
4892 mill levy increase expected to be approved  
By Steve Klotz  
The city council is expected to approve a 4.892 percent increase in the mill levy for the 2014 budget. This increase is necessary to cover the rising costs of services and infrastructure. The council will also be discussing other budget items, including capital projects and public safety.

**Repairs to West 15th Street under way**  
By Steve Klotz  
Construction work is currently underway on West 15th Street. The project involves repaving the road and improving drainage. This work is essential for maintaining the safety and quality of the city's infrastructure. Residents are advised to expect some traffic delays during the construction period.

**Dem bill would trigger huge new taxes on guns, ammo**  
By Steve Klotz  
A new Democratic bill has been introduced that would impose significant taxes on firearms and ammunition. This bill is part of a broader effort to reduce gun violence through financial incentives. However, it has faced strong opposition from gun rights advocates, who argue that such taxes are an infringement on the Second Amendment.

**Facebook: Governments demanded data on 38K users**  
By Steve Klotz  
Facebook has revealed that governments in various countries have demanded access to the data of 38,000 users. This information includes names, phone numbers, and email addresses. Facebook has stated that it has complied with these requests, but it has also expressed concerns about the potential for misuse of this data by governments.
