Citizens pull victims out of window

By Steve Smith
 Reporter

When Steve Smith and the team of Citizens for a Free Enterprise Economy (CFEE) were called to the scene of a house fire in the 10000 block of S. 10th St., they found a terrifying scene. A fire had broken out in a two-story house, and the fire department had not yet arrived. The fire was so intense that the firefighters were unable to enter the house. The fire was so intense that the firefighters were unable to enter the house. The fire was so intense that the firefighters were unable to enter the house.

Federal cuts cost Kansas preschool spots

By Steve Smith
 Reporter

The federal government's decision to cut funding for the Head Start program has resulted in a significant loss of preschool spots for children in Kansas. The program, which provides early childhood education and nutrition services to low-income children, has been a vital part of the state's early childhood education system. The loss of funding has resulted in a significant loss of preschool spots for children in Kansas.
