**Judge: Oklahoma can sue government for Obamacare**

**Change: Two**  
 A federal judge on the state of Oklahoma has ruled that the state can sue the federal government to stop the implementation of the Affordable Care Act, also known as Obamacare.

The judge, Judge David B. Senturia, ruled in favor of the state's lawsuit, which was filed in federal court in Tulsa. The lawsuit claims that the federal government's implementation of the Affordable Care Act is unconstitutional and violates the state's sovereignty.

The judge's ruling is a significant victory for the state and its supporters, who have long opposed the Affordable Care Act. It could lead to a full trial on the constitutionality of the law.
