Egyptian authorities detain suspected 'spy' swan
 A swan, believed to be a spy, was captured by Egyptian authorities near the border with Israel. The bird was found with a small electronic device attached to its back, which is believed to be a listening device. The swan was captured near the border town of Rafah, and was taken to a military base. The device was found to be a small, black, rectangular box, which is believed to be a listening device. Judge: Oklahoma can sue government for Obamacare
 A federal judge has ruled that Oklahoma can sue the federal government for the Affordable Care Act (ACA), also known as Obamacare. The judge ruled that the ACA is unconstitutional because it forces states to pay for the program. The judge ruled that the ACA is unconstitutional because it forces states to pay for the program.
