**Fire victim struggles to recover**  
The fire that destroyed the home of a family of four in the town of White Plains, N.Y., on Tuesday night has left the family in a state of shock and grief. The fire, which started in the kitchen, spread quickly and destroyed the home and its contents. The family, which includes a young child, is now living in a temporary shelter. The fire was caused by a faulty electrical outlet. The family is now struggling to recover from the loss of their home and possessions.
