TALES
County tax on utilities?
By Susan Orloff
A change in utility law may mean that the amount of tax you pay on your utility bills will increase. The new law, which takes effect in 2014, will allow utility companies to charge a tax on the amount of electricity they use to generate power. This means that utility companies will be able to charge more for the electricity they use to generate power. This means that utility companies will be able to charge more for the electricity they use to generate power.
