Louisiana man captures 760-pound alligator
A Louisiana man has captured a 760-pound alligator, the largest ever taken in the state. The alligator was found in a swampy area near Lake De Cade. The man, who is a professional hunter, has been successful in capturing several large alligators over the years. The capture of this massive alligator is a significant achievement and a testament to the man's skill and expertise.

Community Health Fair set for Oct. 5
The Sedgewick County Health Department is hosting a Community Health Fair on October 5th. The fair will provide a variety of health services, including blood pressure and cholesterol screenings, flu shots, and health education. The fair is open to the public and is free of charge. For more information, please contact the Health Department at 781-222-2222.
