### OBAMACARE KU removes prof from classroom

University of Kansas officials said they have fired a professor from the classroom for his views on gay, lesbian, and transgender issues. The professor, who has been teaching at KU since 1998, was fired after a student filed a complaint with the university's Office of Institutional Equity. The professor had been teaching a course on the history of the United States, and his views on gay, lesbian, and transgender issues were found to be discriminatory.

### ACA increases district's healthcare costs by \$1.68 million

Health officials announced that the Affordable Care Act (ACA) has increased the district's healthcare costs by \$1.68 million. The increase is due to the implementation of the ACA's provisions regarding the individual mandate and the expansion of Medicaid. The district's healthcare costs are expected to continue to rise in the coming years.

### LARKIN'S BIG NIGHT
