Vision Team hopes for more community input

BY MICHELE COLEMAN
A 120-member Vision Team is working to help the community better understand the needs of the community and how to address them. The team is made up of representatives from various community groups and is currently in the process of conducting a series of focus groups. The team's goal is to provide a comprehensive report to the community by the end of the year.

An evening with the General
A man speaks at a podium during an event titled "An evening with the General." The event appears to be a formal gathering, possibly a dinner or a presentation, with the speaker addressing an audience.

Love to fish

Archie hosts pool of seasonal fishing derby
A young child is shown holding a fish, likely a trout, in a fishing setting. The image is part of an advertisement for a fishing derby.

Feds consider permit to drill on Kansas wetlands

KANSAS CITY — The U.S. Army Corps of Engineers is considering a permit to drill for oil and gas on a 1,000-acre wetland in Kansas. The permit would allow for the construction of a well and the drilling of a well. The wetland is located in the state of Kansas and is considered a critical habitat for several species of birds and plants. The Corps is currently in the process of conducting an environmental impact study of the project.

Colorado woman in custody after killing suspected pedophile

DENVER — A Colorado woman is in custody after killing a suspected pedophile. The woman, who is currently in custody, is being held in a local jail. The incident occurred in the state of Colorado and is being investigated by local law enforcement. The woman is being held in custody until further notice.

The Feb. 20 election drive for Proposition 500 in Lawrence, Kan., is a key focus for the city's voters.
A group of people is shown holding a sign that says "PROTECT MY VOTE." The sign is part of a campaign to encourage voter participation in the upcoming election.

Kan. agencies warn of algae threat to hunting dogs

TOPEKA — Kansas agencies are warning of a threat to hunting dogs from a type of algae. The algae, which is known as cyanobacteria, is found in various parts of the state and can be toxic to dogs if they ingest it. The agencies are advising hunters to be cautious and to avoid allowing their dogs to drink from or eat anything from the water.

Justice Dept to sue North Carolina over voter law

WASHINGTON — The U.S. Justice Department is preparing to sue North Carolina over its new voter law. The law, which was passed in the state of North Carolina, is being challenged by the Justice Department as unconstitutional. The lawsuit is expected to be filed in the near future.
