**Mental health care suffers drought season**  
Cuts cause 'unnecessary suffering, raises risk of crisis'  
By HOPE COHEN

As the nation grapples with a recession that has no end in sight, the mental health care system is suffering from a drought season. Funding cuts have led to a significant reduction in the number of mental health professionals, leaving many people in need of care without the resources they need to get help.

**2 juveniles charged in Fla. after bullied 12-year-old girl's suicide**  
By JAMES WATSON

Two juveniles were charged in Florida after a 12-year-old girl's suicide. The girl had been bullied for a long time, and her death was a tragedy for her family and the community.
