Building relationships with Bright Futures
Bright Futures aims to connect community schools
By Mark Colman
By the time the 2013-14 school year begins, Bright Futures will have been in operation for two years. The program, which is a partnership between the state and local communities, is designed to help students in underserved areas get the most out of their education. The program is designed to help students in underserved areas get the most out of their education. The program is designed to help students in underserved areas get the most out of their education.
