**Building relationships with Bright Futures**  
Bright Futures aims to connect community schools

By Michael C. Brennan  
By Sarah H. Park

It's hard to see a new idea being put into place, but it's worth the effort. Bright Futures is a program that aims to connect community schools with local businesses and organizations. The program is designed to help schools provide a better education for their students by providing them with real-world experiences and mentorship. Bright Futures is a program that aims to connect community schools with local businesses and organizations.
