**Local couple faces numerous sexual abuse charges against child**  
A local couple faces numerous sexual abuse charges against their child. The charges are related to the child's alleged sexual abuse of a younger child. The couple is accused of multiple instances of sexual abuse over a period of several years. The child's parents are reportedly unaware of the abuse. The case is currently being investigated by law enforcement.

**Fair board honors Jeff Louderback's 18 years of service**  
The school board has honored Jeff Louderback for his 18 years of service. Louderback has been a dedicated member of the board, contributing to the school's success. The board also elected its 2014 officers during the same meeting.

**DNA links mysterious Yeti to ancient polar bear**  
A study has revealed that the DNA of a mysterious Yeti is closely related to an ancient polar bear. This discovery challenges the long-standing belief that Yetis are a separate species. The study was conducted using modern genetic techniques and provides strong evidence for the connection between the two.

**SWKR&PC to host rifle shoot on Saturday**  
The Southwest Rifle and Pistol Club (SWKR&PC) is hosting a rifle shoot on Saturday. The event is open to members and guests. The shoot will take place at a designated range and will feature various rifle disciplines. Registration is required and fees apply.

**Deadly Halloween tableau too realistic for some in Okla.**  
A Halloween tableau in Oklahoma was deemed too realistic by some viewers. The tableau depicted a violent scene that caused concern among the audience. The organizers stated that the scene was intended to be a dramatic representation of a historical event, but the realism was not well-received.

**Putin's crane is found after losing its way**  
A crane carrying a large load for Vladimir Putin's residence was found after losing its way. The crane was spotted in an unexpected location, causing a significant commotion. The incident highlights the challenges of transporting heavy machinery in remote areas.
