**Lawyers seek dismissal of Kansas murder charge**  
A Kansas man's lawyers are seeking the dismissal of a murder charge against him. The man, who is currently in custody, was charged with the murder of a woman. His lawyers argue that the evidence against him is circumstantial and that there are reasonable doubts about his guilt. They are asking the court to dismiss the charge.

**Maybe Nov. 30 before healthcare.gov is fixed**  
The Obama administration says it may not be able to launch the new health care website, healthcare.gov, until after Nov. 30. The website is intended to allow people to compare and purchase health insurance plans. The administration is currently testing the website and has identified several issues that need to be resolved before it can be launched. The launch is expected to be a major milestone in the implementation of the Affordable Care Act.

**Kan. woman dies after vehicle stalls on interstate**  
A Kansas woman died after her vehicle stalled on an interstate highway. The woman was driving alone when her car suddenly stopped. She was unable to get out of the car and was found by a passerby. The cause of the death is still under investigation.

**Food stamps, milk prices on table in farm talks**  
Farmers and food processors are discussing the impact of food stamps and milk prices. The discussion is taking place in the context of ongoing negotiations between the two groups. Farmers are concerned about the impact of food stamps on the market, while food processors are concerned about the impact of milk prices on their business.
