As flu season nears, experts advise getting immunized
By Heidi Cooper
As the weather turns colder, experts advise getting immunized against the flu. The Centers for Disease Control and Prevention (CDC) recommends that everyone aged 6 months and older get a flu shot every year. The CDC also recommends that pregnant women, people who live in long-term care facilities, and people who have close contact with someone who has the flu get a flu shot.

TOPIC: DODGE CITY RACKETEERING CASE

Gang member pleads guilty in Dodge City racketeering case, 20th to do so
DODGE CITY, Mo. — A Dodge City gang member has pleaded guilty to racketeering charges in a case that has resulted in the conviction of 20 other individuals. The defendant, who is currently in custody, is the 20th person to plead guilty in the case. The case involves a long-standing criminal organization that has operated in Dodge City for many years. The organization is alleged to have engaged in a variety of criminal activities, including drug trafficking, money laundering, and racketeering. The case is being prosecuted by the U.S. Attorney for the District of Missouri.

That Liberal Band wins 'Superior Rating' at FHSU
The Liberal Band has been awarded a 'Superior Rating' at Fort Hays State University (FHSU). The band, which is composed of students from the Liberal High School, performed at a concert at FHSU. The band's performance was highly praised by the judges, who awarded them the highest possible rating. The band's success is a testament to the hard work and dedication of the students and their conductor.

Workshop in Kansas teaches grain dust safety
A workshop in Kansas has taught grain dust safety to a group of farmers. The workshop, which was held in Liberal, Kansas, was organized by the Kansas Department of Agriculture. The workshop was attended by a group of farmers from various parts of the state. The workshop covered a variety of topics, including grain dust safety, grain handling, and grain storage. The workshop was highly informative and provided farmers with valuable information on how to keep their families and themselves safe from grain dust.
