**County will hear restricting plans of election officials**  
Restricting to meet population growth, shifts  
By KIM VOTH  
Seward County Extension Council members will meet Tuesday to discuss plans to restrict the number of members on the board to meet the needs of a growing county, officials said.  
The board will meet at 6:30 p.m. at the Seward County Extension Council office, 605 N. 10th St., Seward. The meeting is open to the public.  
The board will discuss the county's budget for the coming year and other business.  
The board members are: Chairman, David L. Johnson; Vice Chairman, David L. Johnson; Secretary, David L. Johnson; Treasurer, David L. Johnson; and five members-at-large.  
For more information, contact the Seward County Extension Council at 605 N. 10th St., Seward, Mo. 64757. Phone: 660-3333.

**Ohio zoo using beagle to detect bear pregnancies**  
By KIM VOTH  
A beagle named "Bea" is helping the Ohio State University Wexner Medical Center's Columbus Zoo and Aquarium detect bear pregnancies.  
The beagle is trained to sniff out the hormone progesterone, which is present in the urine of pregnant bears.  
The zookeepers use the beagle's help to determine when to collect urine samples from the bears.  
The beagle is named "Bea" because she is a beagle.  
The beagle is named "Bea" because she is a beagle.
