BE SAFE
 Winter is coming, and it's time to take precautions to stay safe. The National Weather Service says that the best way to stay safe is to have a winter emergency kit on hand. This kit should include items such as a flashlight, extra batteries, a first aid kit, a portable heater, and a supply of food and water. It also includes a copy of the National Weather Service's winter weather safety guide.

SPORT STACKING
 Area students participated in the World Cup of Sport Stacking in Las Vegas, Nevada. The team from the area placed first in the world, winning a trophy and a cash prize. The team consisted of students from the area and was coached by a former world champion.
