**Faith Tabernacle celebrates 40th**  
 Happy church continues tradition of openness  
 By David Thompson

With its roots in a tradition of faith and music, Faith Tabernacle has celebrated its 40th anniversary on Nov. 15. The church, which has been a part of the community since 1973, continues to embrace its tradition of openness and inclusivity. The church's music ministry is a central part of its identity, and it has grown from a small group of musicians to a full band. The church's doors are always open to anyone who wants to worship with them.
