Asian nations dominate international test

By THE AP/WIDE WORLD
WASHINGTON (AP) — Asian nations dominated an international test of mathematics and science skills, with South Korea and Singapore leading the pack. The results of the Programme for International Student Assessment (PISA) were announced Tuesday by the Organisation for Economic Co-operation and Development (OECD). South Korea topped the list in both math and science, followed by Singapore and Japan. The United States ranked 22nd in math and 23rd in science.
