Board contemplates worst-case scenario
If bond fails, how will USD 400 cope?
A LOCAL ISSUE
By Susan K. Fisher
The board of directors of the Meade Lake Fishery Management Plan (MLFMP) is currently reviewing a worst-case scenario for the future of the lake's fishery. The board is concerned that the current management plan may not be sufficient to sustain the lake's fishery in the long term. The board is currently reviewing a worst-case scenario for the future of the lake's fishery. The board is concerned that the current management plan may not be sufficient to sustain the lake's fishery in the long term.
