Developer donates 2 school buses to Oklahoma district

Officials seek comment on KDOT plan

By THE STAFF OF THE OKLAHOMA JOURNAL
OKLAHOMA CITY — The Oklahoma Department of Transportation (ODOT) is seeking public comment on a proposed plan to build a new toll road in the state, according to a report in the Oklahoma Journal. The plan, which would be a 10-mile-long toll road, is being considered as a way to fund the state's infrastructure program. The plan is being considered by the Oklahoma Department of Transportation (ODOT) and the Oklahoma Department of Transportation (ODOT).
