### Sen. Moran calls on OSHA to stop unlawful regulation of family farms

WASHINGTON — U.S. Senator Tom Moran (R-Kan.) has called on the Occupational Safety and Health Administration (OSHA) to stop what he says is unlawful regulation of family farms. Moran says OSHA is oversteering its authority and is imposing a heavy burden on family farms. He says OSHA is imposing a heavy burden on family farms by requiring them to comply with regulations that are not only unnecessary but also costly. He says OSHA is imposing a heavy burden on family farms by requiring them to comply with regulations that are not only unnecessary but also costly. He says OSHA is imposing a heavy burden on family farms by requiring them to comply with regulations that are not only unnecessary but also costly.

### Expansion plans underway

By Robert H. Jones  
The expansion of the world's largest refinery at Woodbury, Kan., is well under way. The \$1.5-billion project, owned by Phillips 66, is being built by Fluor Corp. and is expected to be completed in 2015. The refinery will produce a wide range of petroleum products, including gasoline, diesel fuel, and jet fuel. The expansion will increase the refinery's capacity and improve its efficiency.
