## Kansas governor sets vision for state's future

Gov. Sam Brownback says he wants to see Kansas become a more economically diverse state. He says the state's future depends on its ability to attract and retain talent. He also says he wants to see the state's infrastructure improved and its education system strengthened.

## Help may be available for those needed medications

## Kan. gov. praises past anti-abortion protests

Gov. Sam Brownback says he is proud of the anti-abortion protests that took place in Kansas in the past. He says these protests were a testament to the state's commitment to life and family values. He also says he is proud of the state's record on issues like education and economic development.
