Obama set to announce 'practical' agenda focusing on immigration, income equality

President Barack Obama is expected to announce a new "practical" agenda focusing on immigration, income equality and other issues, according to a senior administration official. The official said the president will likely announce the agenda in the next few weeks. The agenda is expected to include measures to attract more immigrants to the United States, to increase the minimum wage, and to create new jobs. The official said the president will also announce a plan to increase the number of visas issued to immigrants who are in the United States illegally. The official said the president will also announce a plan to increase the number of visas issued to immigrants who are in the United States illegally.
