Court: Transgender student's rights were violated
By [Name]
A federal court has ruled that the rights of a transgender student were violated by a school district. The court found that the school district's policy of allowing only students who identify as male or female to use the restrooms and locker rooms of their assigned sex was unconstitutional. The court's decision is a landmark ruling in the area of transgender rights.

American Legion to discuss remodeling
By [Name]

District apologizes after taking student lunches
By [Name]
A school district has apologized for taking student lunches. The district had been taking lunches from students who were unable to pay for them. The district has agreed to reimburse the students for the lunches and has implemented a policy to prevent this from happening again. The district's actions were widely criticized and the apology was seen as a necessary step to address the issue.
