National Beef to shut California plant, cites tight cattle supply

Additional processing could be seen locally

National Beef
National Beef Packing Co. says its California plant will be shut down because of a tight cattle supply. The company says it will continue to process beef in California but that it will move its processing to other states. The company says it will continue to process beef in California but that it will move its processing to other states.

Obama running out of reasons to reject Keystone XL

Obama is running out of reasons to reject the Keystone XL pipeline. The president has said that the pipeline is not in the national interest and that it is not in the best interests of the United States. The president has said that the pipeline is not in the national interest and that it is not in the best interests of the United States.
