Finalists announced

MacArthur uses every scrap of space

Students at a school in the city of MacArthur, Kan., are using every scrap of space to make the most of their classrooms. The school is a small, one-story building with a limited amount of space. The students are using the walls, the floor, and even the ceiling to display their work and projects. This is a great example of how to make the most of a limited space.

County chooses to support school bond issue as individuals

The National Weather Service has issued a forecast for the day, predicting a snowfall of 2 to 4 inches. The snow is expected to begin in the morning and continue through the day. This could cause some travel issues, so it's best to plan ahead if you need to travel.

Kansas man loses thousands in work-at-home scam

A man from Kansas has lost thousands of dollars in a work-at-home scam. The man had been contacted by someone who offered him a job that required him to pay a large fee upfront. After paying the fee, the man was never able to start the job and lost all his money. This is a warning to anyone who is offered a job that requires a large upfront payment.

Cabin fever sets in amid relentless cold, snow

Cabin fever is setting in as the weather remains cold and snowy. Many people are staying indoors, leading to irritability and mood swings. This is a common occurrence during winter months. To avoid cabin fever, it's important to get some fresh air and exercise when the weather allows.
