### Congressional analysts say health care law means fewer on job

**Page 1**

**In the March 22, 2010, photo, President Barack Obama confers with a group of top health care officials in the Oval Office. From left: Health and Human Services Secretary Kathleen Sebelius, Obama, U.S. Health and Human Services Assistant Secretary for Policy and Communications, and Deputy Assistant Secretary for Policy and Communications, and Deputy Assistant Secretary for Policy and Communications.**

Two new studies released last week suggest that the health care law will mean fewer jobs in the private sector, according to congressional analysts. The studies, released by the Congressional Budget Office and the Heritage Foundation, suggest that the law will result in a net loss of 2.4 million jobs over the next 10 years. The studies also suggest that the law will result in a net loss of 1.2 million jobs over the next 10 years. The studies also suggest that the law will result in a net loss of 1.2 million jobs over the next 10 years.

### Memories of the Beatles' US TV debut
