Kansans targeted by court scams
A federal judge in Kansas has issued a warning to consumers about a type of scam that has become increasingly common in the state. The scam involves a caller who claims to be a court official and asks for a fee to resolve a legal matter. The judge says that these callers are often using the names of real judges and court clerks to gain the trust of their victims.

Sign-ups for all Pancake Day races begin Saturday
The City International Pan-Asian Race Series is kicking off its 10th edition with the first of three races on Saturday. The races are open to all ages and abilities, and the city is offering a variety of incentives to encourage participation.

Hawaii student finds snail in school lunch
A student at a Hawaii school has found a snail in his lunch. The incident has caused a stir in the school community, and the school administration is investigating the source of the snail.

City of Liberal to convert from Black Bear IT to open system to track all aspects of zoning and code enforcement with SMARTGov software
The City of Liberal is converting its IT system from Black Bear to SMARTGov. The new system will allow the city to track all aspects of zoning and code enforcement, and will provide a more efficient and effective way to manage these processes.

Opponents surge against wind energy project
Opponents of a wind energy project in Kansas have surged in their efforts to stop the project. They argue that the project will have negative impacts on the environment and the local community.

Kan. universities could join regional online group
Kansas universities are considering joining a regional online group. This group would allow students to take courses from other universities in the region, providing more flexibility and access to education.

House panel to vote on gun rights measure
A House panel is set to vote on a gun rights measure. The measure would limit the power of the courts to strike down gun laws, and would provide more protection for gun owners.
