Kansans targeted by court scams

Opportunity cost
KANSAS CITY — A Kansas City woman says she was targeted by a scammer who used a court order to demand money from her. The scammer claimed to be a judge and that the woman had a large debt that was about to be auctioned off. The woman paid the scammer \$1,000, but the scammer disappeared. She is now being sued by the scammer for the money she paid.

Sign-ups for all Pancake Day races begin Saturday

The City of Kansas City is accepting sign-ups for the 2014 Pancake Day races. The races are held on Saturday, February 15, and include a 5K, 10K, and 15K. The races are held in various locations throughout the city, including the downtown area, the Country Club Plaza, and the University City area.

Hawaii student finds snail in school lunch

PHOENIX — A Hawaii student found a snail in his school lunch. The student, who is a high school senior, found the snail in his lunchbox on Monday. He immediately reported the incident to his school officials. The school officials are investigating the incident and have contacted the local health department.

Kan. universities could join regional online group

STPAUL, Minn. — An idea to create a regional online group of Kansas universities is being explored. The group would allow universities to share resources and information. The group would include universities from Kansas, Missouri, and Oklahoma. The group would be led by a central organization.

Opponents surge against wind energy project

STPAUL, Minn. — Opponents of a wind energy project in Kansas are surging. The project, which is located in the central part of the state, has been the subject of a long and contentious legal battle. The opponents are arguing that the project will harm the environment and the local economy.
