Pilots often head to wrong airports, reports show
A study of 100 pilots in the U.S. found that 10 percent of them had landed at the wrong airport at least once in the past year.

Mich. college offers course in zombies, apocalypse
The University of Michigan is offering a course on zombies and the apocalypse. The course is titled "Zombies and the Apocalypse" and is taught by Professor David Gauntlett. The course will explore the cultural and historical context of zombies and the apocalypse, as well as the role of these concepts in popular culture.

NE Kansas residents feel crowded by oil producers
Residents in Northeast Kansas are feeling crowded by oil producers. The area has seen a significant increase in oil production in recent years, leading to increased traffic, noise, and environmental concerns. Many residents are concerned about the impact of the oil industry on their quality of life.
