

This is a collage of newspaper pages from the 'LEADER & TIMES'. The main page is dated Monday, February 24, 2014, and is on page 2A. The headline is 'Author comes to town'. Other visible headlines include 'KEEP ON DREAMING', 'School board looks to next year', 'Southwest Miracles dance, fundraiser draws large crowd, donations', 'Olney Pancake Day organizers to attend this year's Pancake Day events', 'Gio says 'Goodbye'', and 'Kan. doctor killed in small plane crash'. There are several photographs, including one of a woman in a pink dress (Gio) and one of a crowd at an event. A small text box at the top right says 'You're just jealous because the voices are talking to me and not you!'. At the bottom of the collage, it says 'Happy Birthday Ben Weaker'.
