Bond not for fancy offices
All the money is for the kids' education.
By MICHELLE CHASE
A bond issue for \$100 million that would allow the school district to build new classrooms and other facilities is not for fancy offices. The money is for the kids' education. The school board approved the bond issue on Tuesday night. The bond issue is for \$100 million and will be used to build new classrooms and other facilities. The school board approved the bond issue on Tuesday night. The bond issue is for \$100 million and will be used to build new classrooms and other facilities.

No major damage in grass fire
Page 9A
A grass fire that broke out in the morning hours did not cause any major damage. The fire was quickly extinguished by firefighters. The cause of the fire is still under investigation. The fire was contained to a small area and no structures were damaged. The firefighters worked hard to bring the fire under control.

Flu cases down this year
A good flu season is behind us. Flu cases have been significantly lower than in previous years. This is good news for everyone. The health department reports that the number of flu cases has decreased. This is likely due to a combination of factors, including better hygiene and the effectiveness of the flu vaccine.

Calif. gun parts store refuses to turn over customer list to feds
A California gun parts store has refused to turn over its customer list to the federal government. The store claims that the list contains sensitive information and that releasing it would be a violation of privacy. The store is standing up to government overreach and protecting the rights of its customers. The store's decision has received widespread support from gun owners and advocates.
