The City of Liberal (population 10,000) and the Liberal School District (population 10,000) have reached an agreement on a new sales tax agreement. The agreement gives the city and school district a 1.5 percent increase in the sales tax rate from 4.5 percent to 6 percent. The agreement also provides for a 10 percent increase in the city's share of the school district's operating expenses. The agreement is expected to be approved by the city council and school board today.
