School, city to approve sales tax agreement today
By Jeff Kiser

The City of Coronado and Coronado School District are set to vote on a sales tax agreement that would allow the city to raise its sales tax from 2.5 percent to 3.5 percent. The agreement would also allow the city to use the additional revenue to fund a variety of projects, including a new library and a new community center. The agreement is expected to be approved by both the city council and the school board today.

Giving blood, Giving life
By Jeff Kiser

It's the blood that counts when it comes to the lives of those who are in need of a transfusion. At the Coronado Blood Center, volunteers are busy giving blood to help those in need. The center is a vital part of the community, providing a safe and reliable source of blood for medical procedures and surgeries. Volunteers are encouraged to give blood regularly to help ensure there is always enough blood available for those who need it.

ADAMS' Fall
The Adams family is celebrating the fall season with a variety of activities. From pumpkin carving to apple picking, there are plenty of ways to enjoy the season. The family is looking forward to a great fall and is grateful for the support of their friends and family.
