Pregnant women gain new options under health law

Under the new health law, pregnant women will have more options when it comes to their care. The law allows for more choices in terms of where and how they receive their care.

Serving the needs of Clinton County, K.S. Photo by [Name]

The health law also provides for more options when it comes to the location of care. Pregnant women can now choose to receive their care in a hospital, a birthing center, or at home.
