The department has a variety of vaccines for people of all ages.

Seward County Health Department is approved by the CDC. Health is the key to a good life. We are here to help you live a healthy life.

Pregnant women gain new options under health law

WASHINGTON (AP) — The health care law that took effect last year has opened up new options for pregnant women. The law allows women to get a second opinion on a doctor's recommendation for a cesarean section. The law also allows women to get a second opinion on a doctor's recommendation for a cesarean section. The law also allows women to get a second opinion on a doctor's recommendation for a cesarean section.
