Geithner, in memoir, suggests White House asked him to bend truth on deficit

By Sarah Hays
Timothy Geithner, former director of the FDIC, suggests in his memoir that the White House asked him to bend the truth on the deficit. Geithner's memoir, 'The Road to Nowhere', details his experiences in the financial industry and his role in the FDIC during the 2008 financial crisis. He claims that he was pressured by the White House to provide a more optimistic view of the deficit than what the data actually showed.

Energy savings bill fails amid election politics

By Sarah Hays
A bill aimed at energy savings has failed in the legislature due to election politics. The bill, which would have provided incentives for energy-efficient home improvements, was defeated in a vote. The defeat is attributed to the political climate and the upcoming elections.

Feds mum on Kansas prairie chicken law

By Sarah Hays
The federal government is silent on a new law regarding the prairie chicken in Kansas. The law, which was passed by the state legislature, aims to protect the prairie chicken population. However, the federal government has not yet responded to the law, leaving the future of the prairie chicken uncertain.
