City to give up property for school expansion

The City of Seward is set to give up property to the school district for a new school expansion project. The property, which is currently owned by the city, will be used for the construction of a new classroom building. The school district is currently in the planning stages of the project.

Coffee with a candidate:

A candidate for the Seward County Board of Commissioners is holding a "coffee with a candidate" event. The event is open to the public and will provide an opportunity for voters to meet with the candidate and ask questions. The event will be held on Tuesday, May 13, 2014, at the Seward County Courthouse.

Geithner, in memoir, suggests White House asked him to bend truth on deficit

Timothy Geithner, former director of the Federal Reserve, suggests in his memoir that the White House asked him to bend the truth regarding the deficit. Geithner, who served as the director of the Federal Reserve from 2009 to 2013, claims that he was pressured by the White House to provide a more optimistic view of the economy and the deficit than what the data actually showed.

County to conduct special work session tonight

The Seward County Board of Commissioners will hold a special work session tonight. The session will focus on discussing the county's budget and other important issues. The session is scheduled for 7:00 PM at the Seward County Courthouse.

Energy savings bill fails amid election politics

A bill aimed at energy savings has failed to pass in the Kansas legislature. The bill, which was sponsored by a Republican legislator, was defeated by a narrow margin. The failure of the bill is attributed to the political climate in the state, with many legislators focused on their re-election campaigns.

Feds mum on Kansas prairie chicken law

The federal government has remained silent on a new law in Kansas regarding the prairie chicken. The law, which was passed by the Kansas legislature, aims to protect the prairie chicken, a species that is considered to be at risk of extinction. The federal government's silence has led to speculation about the law's effectiveness.
