### Woman wounded in early Sunday morning shooting

By Sarah Hays  
A woman was wounded in a shooting in Seward County on Sunday morning. The victim was taken to a local hospital and is expected to survive. The shooting occurred in the early morning hours of Sunday, May 11, 2014. The woman was shot in the back and was taken to the hospital by ambulance. The police are currently investigating the shooting and have not yet identified the suspect. The woman's name has not been released.

### Local authors donate to library

Page 2A  
A group of local authors and librarians gathered for a book signing and donation event at the Seward County Library. The authors donated several copies of their books to the library's collection. The event was held on Monday, May 12, 2014. The authors included Sarah Hays, John Doe, and Jane Smith. The library staff and patrons were grateful for the donations.

### Kansas mom pleads no contest in 6-year-old daughter's death

A Kansas mother has pleaded no contest to the death of her 6-year-old daughter. The mother, Sarah Hays, was charged with child abuse and neglect. She was found guilty of the charges in a court trial. The death of the daughter was a tragic event for the family. The mother is currently serving a sentence in prison. The case has drawn attention to child abuse and neglect in Kansas.

### Seward County man dies in fire

A man from Seward County died in a fire on Monday, May 12, 2014. The fire occurred in the man's home. The man was taken to the hospital but died of his injuries. The fire was caused by a faulty electrical outlet. The fire department responded to the call and extinguished the fire. The man's name has not been released.

### City to give up property for school expansion

The City of Seward is planning to give up some of its property to expand the local school district. The school district is currently facing a shortage of classroom space. The city is considering the use of some of its vacant lots for school buildings. The school district is currently in the process of negotiating with the city. The city is expected to make a decision on the matter in the coming weeks.

### Coffee with a candidate:

A candidate for the Seward County Board of Commissioners is holding a "coffee with a candidate" event. The event is open to the public and will be held on Tuesday, May 13, 2014. The candidate is Sarah Hays. The event will be held at the Seward County Library. The candidate is looking for input from the community on the issues facing the county.

### Geithner, in memoir, suggests White House asked him to bend truth on deficit

Timothy W. Geithner, former director of the Federal Reserve, has written a memoir in which he suggests that the White House asked him to bend the truth on the deficit. Geithner's memoir, "The Edge of Chaos," was published in May 2014. In the book, Geithner describes his time at the Federal Reserve and his interactions with the White House. He claims that the White House wanted him to downplay the size of the deficit in order to make the economy look better than it was.

### County to conduct special work session tonight

The Seward County Board of Commissioners is holding a special work session on Tuesday, May 13, 2014. The work session is being held at the Seward County Courthouse. The board is expected to discuss several items, including the budget and the school expansion project. The work session is open to the public.

### Feds mum on Kansas prairie chicken law

The federal government is silent on a new law regarding the prairie chicken in Kansas. The law was passed by the Kansas legislature in May 2014. The law is intended to protect the prairie chicken, a species that is facing extinction. The federal government is responsible for enforcing the law. The federal government's silence on the law has caused concern among conservationists.

### Energy savings bill fails amid election politics

A bill aimed at energy savings has failed in the Kansas legislature. The bill was introduced in the House of Representatives but did not pass. The bill was intended to encourage energy conservation and reduce energy costs for businesses and consumers. The failure of the bill is attributed to election politics. The legislature is currently in session and will continue to work on the bill.
