

A person has to have a warm heart and a cold beer. Come watch today's Sports Center with Matt, Steve, Mike & the crew at 10:30 a.m. on the 11th floor of the L.A.T. When you can't get the printed version, go to www.liberal.com

Hedrick's Petting Zoo comes to fair

By KATHY HARRIS
A petting zoo is one of the highlights of the annual fair. Hedrick's Petting Zoo is a popular attraction for families. The zoo features a variety of animals including sheep, goats, and a pig. Visitors can interact with the animals and learn about their care. The zoo is located at the fairgrounds and is open from 10 a.m. to 5 p.m. Admission is \$5 per person. For more information, visit www.hedricks.com.

Trap shoot benefits 4-H shooting sports

By KATHY HARRIS
A trap shooting competition is a popular event for 4-H members. The competition is held at the fairgrounds and is open to all ages. Participants compete in various categories including men's, women's, and youth. The competition is a great way for 4-H members to learn about trap shooting and to compete with others. The competition is held on July 14th and 15th. For more information, visit www.4h.org.

Head-on kills teen

By KATHY HARRIS
A head-on collision between two cars has resulted in the death of a 17-year-old teen. The accident occurred on July 10th on Highway 101 in San Diego. The teen was driving a silver sedan and was struck by a black SUV. The teen was killed instantly. The driver of the SUV was not injured. The cause of the accident is still under investigation. The teen's family is grieving the loss of their son. For more information, visit www.ksat.com.

Heat can be deadly
Heat can be deadly, especially for children and the elderly. Heatstroke is a life-threatening condition that occurs when the body's temperature rises above 104 degrees Fahrenheit. Symptoms include dizziness, nausea, and confusion. Heatstroke can lead to organ failure and death. To prevent heatstroke, it is important to stay hydrated and avoid direct sunlight. For more information, visit www.cdc.gov.
