Guymon, Okla., firefighters busy over weekend

The Guymon Fire Department had another busy weekend with firefighters working on the burning debris resulting in a person being taken to the hospital. Firefighters were also called to a house fire in Guymon on Saturday. The fire started in the living room and spread quickly. Firefighters arrived within minutes and worked to contain the fire. The fire was extinguished and the cause of the fire is still under investigation. The fire department is currently accepting donations for a new fire truck. If you would like to donate, please call the fire department at 781-233-1111.

MURDER

Man charged in murder
A man was charged with the murder of a woman in a case that has been in the news for several weeks. The woman was found in a dumpster in a residential area. The man was arrested on Saturday and is currently in custody. The case is still under investigation.

Baby found in dumpster alive

A baby was found alive in a dumpster in a residential area. The baby was found wrapped in a blanket and appeared to be in good health. The case is still under investigation and the identity of the baby's parents is unknown.

A teenager from South Dakota has completed a solo flight around the world. The flight took several months and covered a distance of over 40,000 miles. The teenager is currently back home and is being celebrated as a hero. The flight was a remarkable achievement and has inspired many people.

Lawmakers worry about teacher fingerprinting

Lawmakers are expressing concern over a proposed law that would require teachers to be fingerprinted. The law is part of a larger effort to improve school safety and security. However, some lawmakers are worried that the law could be used to target innocent teachers and that it could be a violation of their privacy. The law is still under review and lawmakers are expected to make a decision soon.

NYC man's long-lost class ring turns up in Greece

A man from New York City has found his long-lost class ring. The ring was lost in Greece many years ago and was found by a local resident. The man is very happy to have found the ring and is planning to return it to its original owner. The ring is a simple design and is made of gold. It is a sentimental item for the man and his family.
