**Guymon, Okla., firefighters busy over weekend**

The Guymon Fire Department had another busy weekend with several calls. On Saturday, firefighters responded to a fire at a residence on Highway 101. The fire was caused by a space heater and resulted in significant damage to the structure. Firefighters worked for several hours to contain the fire and remove the damaged portion of the building. On Sunday, firefighters responded to a fire at a business on Highway 101. The fire was caused by a faulty electrical connection and resulted in damage to the building. Firefighters worked for several hours to contain the fire and remove the damaged portion of the building.

**Baby found in dumpster alive**

A baby was found alive in a dumpster in a residential area. The police are investigating the case. The baby was found in a dumpster located in the back of a house on Highway 101. The baby was found by a neighbor who noticed a small object in the dumpster. The police are investigating the case and have not yet identified the baby's parents. The baby is currently in good health and is being cared for by medical professionals.

**Today is deadline to register for primary, advance voting starts Monday**

Today is the deadline to register for the primary election. Advance voting starts on Monday. The primary election is being held on August 19th. Voters who are registered as Democrats, Republicans, or Libertarians can vote in the primary. Advance voting is available from Monday through Wednesday, from 7 a.m. to 7 p.m. at the county clerk's office.

**Lawmakers worry about teacher fingerprinting**

Lawmakers are expressing concern about the implementation of teacher fingerprinting. The state is considering a law that would require teachers to be fingerprinted and have their fingerprints scanned. The law is intended to improve the safety of students by ensuring that teachers are not convicted felons. However, some lawmakers are concerned that the law could be used to discriminate against teachers and that it could be too costly to implement.

**County will soon have new treasure**

The county is expected to receive a new treasure in the form of a large donation. The donation is expected to be a significant amount of money that will be used for various community projects. The county is excited about the prospect of receiving the donation and is looking forward to putting it to good use. The donation is expected to arrive in the next few weeks.

**NYC man's long-lost class ring turns up in Greece**

A New York City man's long-lost class ring has been found in Greece. The ring was found by a local resident who discovered it while walking on a beach. The ring was a simple gold band with a diamond set in the center. The man, who is now in his 60s, had lost the ring when he was a young boy. He had been searching for the ring for many years. The man is very grateful to the local resident who found the ring and is planning to return it to him.
