### College offers CNG tech classes

By David Smith  
Clemson offered an in-depth look at the new technology of compressed natural gas (CNG) engines and vehicles. The program, which is the first of its kind in the state, is designed to help students understand the benefits of CNG and how to use it safely. The program is being offered as a part of the college's new CNG technology program.

### Spanish Peaks flooding forces evacuation of Scouts

By David Smith  
A major flooding event in the Spanish Peaks region of Colorado forced the evacuation of a Scout camp. The camp was located in a low-lying area that was surrounded by water. The Scouts were evacuated to a higher ground area. The flooding was caused by heavy rain and snowmelt.
